

CHUGACH POWDER GUIDES SHUTTLE INFORMATION

Thank you for choosing Chugach Powder Guides as your helicopter skiing adventure provider. As part of your package, it is our pleasure to provide you with complimentary shuttle service to and from Anchorage International Airport. This service is available for guests who have purchased multi-day ski packages (not available for day skiers at this time). Please find important details regarding our shuttle service below.

Prior to your arrival, we will need your full travel information and itineraries (including airline and flight numbers) so we can determine which terminal to meet you at, make sure your flight is on time, and manage shuttle occupancy .

ARRIVAL

Upon arrival at Anchorage International Airport, you may take one of our scheduled shuttles. After collecting your luggage, you will meet your CPG host in the shuttle area across from baggage claim. Your shuttle driver will transport you to The Hotel Alyeska, approximately 40 miles south of Anchorage along the scenic Seward Highway. *Please be aware that we often have multiple guests to pick up on separate flights and there may occasionally be a bit of a wait in Anchorage as other guests arrive.*

DEPARTURE

When determining your departure flight, we strongly advise that you do not schedule your flight out of Anchorage on the same day as your last heliski day, unless the flight leaves after 9:30 PM on that day. There is often insufficient time after the helicopter lands to collect your belongings and prepare for departure. Before this time, we cannot guarantee that you will make your flight. Please see the shuttle schedule below. If you would like additional stops or alternate times we suggest that you contact Alaska Yellow Taxi (\$80 to \$100) at 907.222.2222 or BAC Limousine (\$180 including gratuity) at 866.589.5466.

CHANGES TO FLIGHTS

If you decide to make changes to your flights once you send us your flight information, you must notify us at least 48 hours prior to your travel to help us to accommodate you. If you do not notify us within this period you may need to contact one of the local companies above for transportation to Girdwood. Although we do our best to track flight progress and accommodate for flight irregularities, CPG cannot be held responsible for missed shuttles due to late or cancelled flights or to changes in your itinerary not submitted to CPG in a timely manner.

Please be sure to provide us with your cell phone & Email contact information on your registration paperwork so our shuttle drivers can contact you in the event that you have trouble finding them or if road conditions affect pick up times.
